Dear Byram Families:

Happy New Year! Now that we have started school in 2023 I wanted to make you aware of our adjusted schedule due to the two days we had to close because of water issues. The school closures took place on September 9th, and 30th, and as a result, students will report to school on February 21st and 22nd. The school district will still be closed Monday, February 20th to observe Presidents' Day.

Currently, we have 5 snow days now built into our calendar and our last day of school is scheduled for June 21st. If all snow days are not used, or if more than five are used, the Board may adjust the last day of school. Each year at the April Board of Education meeting the Board adjusts the school calendar to ensure that our schools are open for the appropriate number of days. I trust this advisement will allow you sufficient time to make the necessary adjustments to your family schedule.

Sincerely,

John Fritzky
Superintendent
