February 8, 2024

Dear Byram Families:

I would like to make you aware of our adjusted schedule due to the snow day we used on January 16, 2024, and as a result, students will report to school on Wednesday, February 21st. The school district will still be closed Monday and Tuesday, February 19th and 20th.

Currently, we have 5 snow days now built into our calendar and our last day of school is scheduled for Friday, June 21st. If all snow days are not used, or if more than five are used, the Board may adjust the last day of school.

Each year at the April Board of Education meeting the Board adjusts the school calendar to ensure that our schools are open for the appropriate number of days. I trust this advisement will allow you sufficient time to make the necessary adjustments to your family's schedule.

Sincerely,

John Fritzky
Superintendent
